6. You will now go to the Mackin display screen for the audiobook. You will see that you can now choose to start listening to the audiobook or check it out:

7. Since these audiobooks work like print books - only one person can have them checked out at once, you will want to check it out or risk losing access to it. When you click **Checkout**, this dialog box will appear. Click **Register** to create a personal account.

From now on, you will be able to use your personal account to login in Step 5 and skip this step.

9. Since we only have one copy of each audiobook, please be sure to return it when you are done. If you don't finish by the due date, it will expire automatically, but you can renew it.

If we find that we need more copies to meet demands, we can purchase multiple copies. If there is an audiobook you want that is not yet in the collection, let me know and I will see if I can get it.
