## I recommend using the Advanced Search You can try a Boolean Search (And Or Not)

For example, do not just search for “Career Advice Videos.” Use the Advanced Search, enter specific words that match what you are looking for *and* checkmark grade and subject area. Here a sample.

- Key word search: “Workplace behavior **or** attitude **or** work ethic **or** responsibility **or** dependability **or** punctuality **or** integrity **or** time management **or** effort, **or** dress code **or** team work **or** workplace etiquette”  
Check mark Vocational Guidance and grades 6-8 and 9-12

### **Advanced Search**

 **Need Help?**

Keyword:

Workplace behavior or attitude or work ethic or responsibility or dependability or punct

Subject Area:

Vocational Guidance

Grade Level:

6-8, 9-12

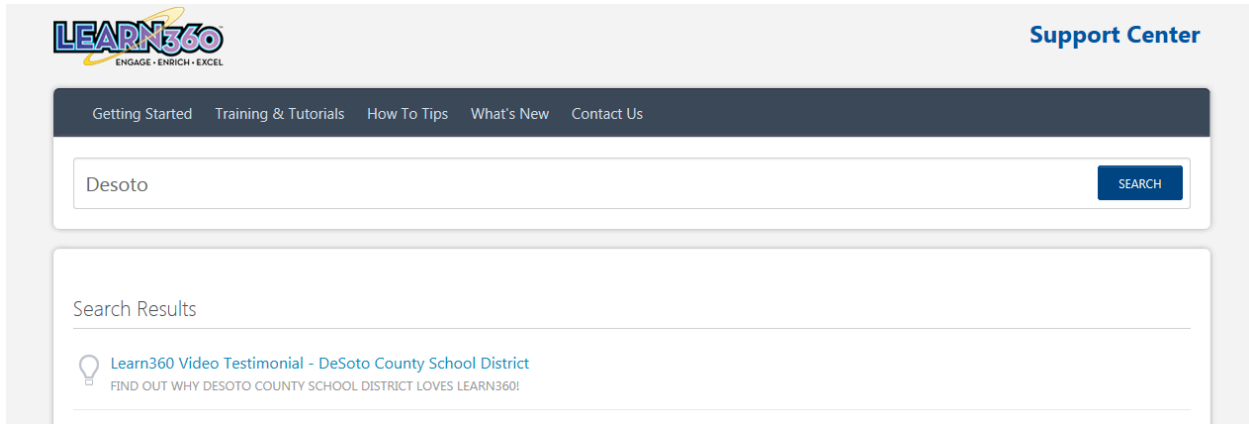

Here are all the different media formats in Learn360

**Here is A Video Showing Learn360 at Work**  
Go to Help, keyword "Desoto"  
See how a downloaded video works in a Smartboard demo at 7:00 mark.

The screenshot shows the Learn360 Support Center interface. At the top left is the Learn360 logo with the tagline "ENGAGE • ENRICH • EXCEL". To the right is a "Support Center" link. Below the logo is a navigation menu with links for "Getting Started", "Training & Tutorials", "How To Tips", "What's New", and "Contact Us". A search bar contains the text "Desoto" and a "SEARCH" button. Below the search bar, the "Search Results" section displays a single result: "Learn360 Video Testimonial - DeSoto County School District" with a lightbulb icon and the subtext "FIND OUT WHY DESOTO COUNTY SCHOOL DISTRICT LOVES LEARN360!".

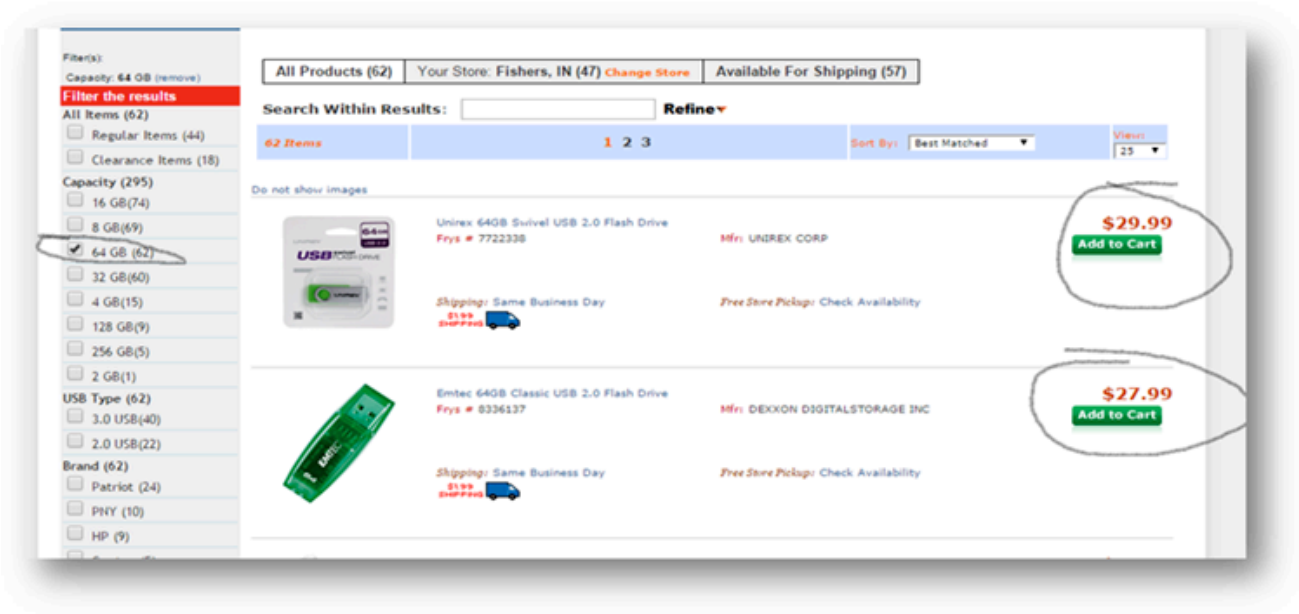

**Find out why DeSoto County School District loves Learn360!**

The video player shows a woman, Shelby Elmore, sitting in front of a smartboard. The smartboard displays several red sticky notes, with two labeled "3rd Amendment" and "4th Amendment". A large play button is overlaid on the video. In the bottom right corner of the video frame, text reads: "Shelby Elmore Classroom Technology Specialist DeSoto County Schools". Below the video frame is a video player control bar with a "Play clip" button, a progress bar showing "7:01 / 10:35", and volume and full-screen icons. A hand-drawn arrow points from the bottom left towards the video player.
