

Mira Costa HS Library Partners

The mission of the Mira Costa High School Library is to empower students to be critical thinkers, enthusiastic readers, skillful researchers, and ethical users and creators of information.

The library staff works in collaboration with classroom teachers to support subject-area curriculum; to instruct students in information literacy, research methods, digital citizenship, and uses of technology; and to inspire reading enrichment.

For more information about our library program, please visit our library website at mchslibrary.org or contact Jane Lofton, Teacher Librarian, at jlofton@mbusd.org or 310/318-7337 x5048.

In these trying economic times, we need your support more than ever to maintain a strong library program and collection!

“California public schools with strong school library programs outperform those without such programs on the state’s STAR tests”¹ Research confirms that school librarians and school libraries support students in academic achievement, lifelong learning and reading.

Your donation of any amount will help support the library’s program and build our library collection. We invite you to be a ***Mira Costa HS Library Partner***. Thank you!
